1	Patel Thimmegowda and others of Belagavadi village.	21st June 1933	Praying (1) for the release of sufficient area in S. No. 19 gomal, from the proposed block for grazing purposes.	Statement of Patel Thimmegowda and others of Belagavadi	(1) The whole area in S. No. 19 proposed for the block may be excluded as most of the areas have been granted for cultivation before notification under section 4 and even the area that remains does not form a compact block as it comes between cultivation and besides gomal is insufficient for village cattle.	The entire area in S. No. 19 may be reserved as large portions of it have been given out for cultivation and the portions that remains is too small to be worth reserving.	...	
			(2) To give a right of way to Gokatte for watering the cattle as it lies in the centre of the proposed block in S. No. 19 of Belagavadi.		(2) This is unnecessary as whole S. No. 19 is excluded from the block.	This is unnecessary as the whole number has been reserved.	...	
2	Patel Naregowda and others of Gattipura village.		Praying (1) for the release of a certain portion in S. No. 50 Kharab included in the proposed forest as the existing gomal in S. No. 49 is insufficient.		This cannot be done as there is sufficient gomal in S. No. 49 even after grant of certain portion for cultivation.	(1) As there is adequate gomal reservation of any portion of S. No. 50 of grazing purposes is unnecessary. The prayers of the petitioners cannot be considered.	...	
			(2) To reserve the temple area in S. No. 50 of Gattipura for worship.		The area round about the temple may be excluded conveniently as it lies in the north-east corner of S. No. 50.	(2) The area round the temple should be reserved as shown in the map.	...
